Ah, you can't keep a good girl down, can you? Not that we could give a toss about that, of course – we're far more interested in what bad girls are up to! And, as you can see ,this month we've managed to lure top tabloid totty Natasha Marley into a seedy sex club for some pervy fun. Alright, so it probably wasn't the kinkiest evening the place had ever seen, with the only real whipping to be done being the whipping out of assorted straining cocks and Nat did her thing, but then when you've got a cutie like that to hand, who needs to bother with all that table tennis bat and giant nappy stuff? And as if all that weren't enough, we've only gone and unearthed a brand new stunner in the svelte shape of Cassie. She's easily good enough for the catwalk, but thankfully for us she's far too horny for all that fashion nonsense. Shagging over shoes and shopping? That's our kind of girl! – **The Ed.** ♣

LEANING TO LENA

Thanks for another fabulous issue of *Club* last month, once again it was crammed cover to cover with the most delightful female talent. I was particularly attracted to the sultry Lena, who I am assuming is a newcomer to your hallowed pages because I'm sure I would have noticed a lovely like her before.

I simply adore brunettes, especially those with dark-haired pussies. In my wildest dreams I'd love Lena to straddle my face, brush it with her patch of pubic hair and then let me feast on her yummy pussy – and I'm sure she would appreciate my probing tongue in her fanny! Please pass on my kindest regards to Lena, and all the *Club* cuties for that matter.

FINGER OF FUN

I've got to tell your readers about my current girlfriend, Selina. She is absolutely crazy for sex toys, you name it, she owns it and she uses it on herself. I have honestly never seen a girl with so many dildos and vibrators; her bedside cabinet is crammed with them, and I can vouch that the latest addition to her erotic arsenal works a treat. It's one of those mini vibrators that you attach to the end of finger and just last week I got to use it on her.

I'd not seen Selina for a few days and so I was naturally feeling very frisky, so I gave her a ring. She told me to come over to hers. Ten minutes later I was outside Selina's flat. I rang the intercom button, she answered it and told me to make my way up. I took the stairs to the second floor and found her front door ajar. I let myself in

DEAL OR NO DILDO

Whoever forgot a dildo for Peaches is toying with trouble...

PHOTOS: RUDEBOY

When Peaches last graced these pages a few months ago she was having what looked like a very enjoyable time with porn Goddess and *Club International* fave Silvia Saint. Oh, and a strap-on dildo! We mustn't forget the dildo, or more appropriately Peaches won't let us forget the dildo because it's the only thing she demanded during this shoot…

"I can't believe you didn't bring any sex toys with you," she moaned. "That's the one thing I look forward to when I do a solo shoot. How am I meant to look my sexiest in your pictures if I'm not in a horny state? It's fine when I'm doing a girl-girl shoot because I've got a another hot model to excite me as we go.

"I guess I could use my fingers but it takes me ages to get myself stimulated that way. You guys don't mind waiting a bit longer for me to get ready, do you?"

Be our guest, we'll just sit back here and watch if it's all the same with you! ♣

BARB FIRE!

I just had to write in and tell you how hot I thought Barbara was in your last issue. The sight of her stripping out of that pink nightie had me stiff in seconds. And as for her skin, it looked so smooth I would love nothing more than to lick every single inch of her body, especially her perfectly clean-shaven mound. If you could feature her wearing fishnet tights in a future issue then I really would be ecstatic.

and called out for Selina.

"I'm in the bedroom," she replied so I headed straight for it. The bedroom door was ajar and I could hear her slow moaning coming from within. But I was not prepared for what was waiting for me. Selina was completely naked on the bed, her legs stretched wide apart, her fanny was shaved leaving a Brazilian strip and her right hand held a brand new shaving brush which she was teasing her clitoris with.

Her clit was bright pink and it glistened in the light from the bedside lamp. I got an immediate reaction between my legs, her left hand was squeezing one of her elongated nipples on her pear shaped breasts. Selina looked across at me and smiled.

"Thanks for coming over," she said. "I'm just getting in the mood, and you might like to use this on me."

With that she pointed at the mini vibrator on her bedside cabinet. I undressed as fast as I could, and then grabbed the tiny sex toy, not daring to take my eyes off the wonderful sight of her with her legs akimbo. I slipped the vibrator on my finger and then slid on my knees beneath her outstretched legs. I took the shaving brush out of her hand and replaced it with my tongue.

Selina gasped and had her first orgasm as I bit, then sucked gently on her clitoris. My other hand, with the mini finger vibrator on, I slid between her derriere and pushed it all the way in, it went in with such ease. There was no need for lubricant.

She moaned again and again as she had a multiple orgasm. I leant over her and let my cock work its way up and down her outstretched vagina lips, teasing her clitoris, with my supple knob end.

Her legs went around my back as I slid my cock all the way up her wet hole. Her legs gripped me like a

MARTHALESS!

Any chance of seeing more of Martha's marvellous arse? When I saw it in last month's issue I had to knock one out there and then. Fortunately I was at home alone so my impromptu one off the wrist didn't end with embarrassing consequences. Well not at first. You see, I had a bit of a wankathon until my wife came home from her aerobics class and then I gave her the filthiest bum fucking I've ever given her. She was very grateful for the arse attention until she found the copy of your mag I had stashed under our bed and promptly threw it away. I've smoothed her over now but I'm desperately missing Martha's mighty rump, so I'm begging to see it again!

limpet mine attached to a ship. I thought my back would break under such pressure.

Selina's body picked up the rhythm as we shagged away. My little finger and the attached vibrator worked overtime on her behind. The stimulator did its job, relaxing the anus muscles of Selina's pert little arse. I was almost at breaking point as Selina forced me to take the shaving brush into my mouth. The taste was sweet and musky. As Selina's heels dug in my back I just exploded and came inside her with torrents of spunk. I turned over and lay on the bed exhausted and do you know what she did? That's right, she only went and took the mini vibrator from me to continue pleasuring herself! Fortunately by the time the batteries ran out I was refreshed and ready for more.

ALL BUNS BLAZING

A big, big thank you for answering my prayers and featuring your top babe Stella in combat gear. As a Royal Marines commando currently serving in Afghanistan you don't know how much the arrival of each issue of *Club* is so eagerly awaited. We don't get to see any real women where we are so we have to make do with the likes of Stella and her friends each month.

Fortunately I have first dibs on each issue when it arrives but I couldn't wait to show the rest of the lads the pictures of Stella brandishing a rifle. It certainly boosted our morale and we'd like Stella to know that if she ever wants to make a personal morale-boosting visit to us here in Afghanistan, we'll be more than happy to accommodate her. She can drive my tank any day of the week!

PARIS, TEXT US!

Fingers at the ready, Paris has a message for you!

PHOTOS: JACKS

When we asked the ever-so-pretty young Paris what really turns her on she didn't have to think too long about it – she told us she loves sending and receiving dirty text messages. The type that are so utterly filthy she's likely to start playing with herself, no matter where she is!

"It's all very well me banging on about how much filthy text messages get me horny," Paris confessed, "but it's no good when I'm not getting any, as is the case now. My phone hasn't seen any action since I finished with my last boyfriend – who incidentally dumped me because I was making his phone bills too expensive! I'm tempted to start texting random numbers just to start up a filthy conversation and seeing where it gets me."

Good idea, and we've got a 'random' number you might want to start with; are you ready to take them, sorry, it down? ♣

TEXAN TIT-TOUCHING TECHNICALITIES CONFOUND COURT

Schoolteacher's aide Kumi Houston of Williamson County, Texas, was fired at the end of last year after she admitted to a sheriff's detective that she allowed a senior pupil to reach under her bra and fondle her tits (which would clearly be illegal).

So far, so good. However, as Ms Houston's attorney later explained, her statement (which Ms Houston did not deny making) was "not necessarily a confession".

"What happened," said attorney Robert Phillips, "is that my client merely made a statement", to wit: that she'd let a pupil feel her knockers. "It may be an admission, or it may be just her version of what happened," her attorney insisted. "That's not a confession."

The case – cretinous even by American legal standards – continues...

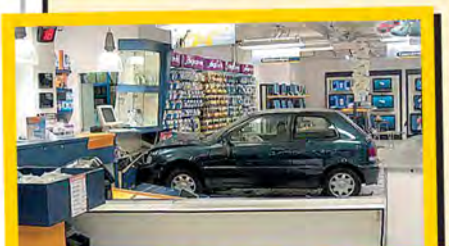
MAN WITH TOOL UP HOLE WARDS OFF COPS

33-year-old Californian plonker John Sheehan was recently arrested, bollock-naked, near the rapid-transit station in El Cerrito, and when asked if he was carrying contraband, warned armed police loudly that he had a screwdriver shoved up his rectum with which to defend himself should the need arise and was not afraid to use it.

Police duly treated the item as a potential weapon, training guns on him while he removed the 6-inch-long "awl" wrapped in electrical tape.

And, just in case you fondly imagined that this sort of madness only goes on in the States, a 22-year-old Iraq-war veteran in Monkwearmouth, told mates he was "bored" and, imitating a prank from a *Jackass* movie, forced a firework up his arsehole – and lit it. According to the *Daily Mail*, when it exploded, he was taken to Sunderland Royal Hospital with a scorched colon and other serious injuries.

IN-FUHRER-ATING NEW GIZMOS



DEL RUMBO
TACOS JALISCO
JALISCO

German drivers continue to come to grief owing to over-reliance on their expensive cars' satellite-navigation devices and an apparent propensity to blindly follow orders, even when they're coming from an electronic gimmick inset in their dashboards.

A 53-year-old German man thought his satellite-navigation device's instruction to turn "now" meant not at the next corner but right that second, and he subsequently crashed into a building. Another German followed instructions but ignored a prominent "closed for construction" sign and ploughed into a pile of sand. Said an exasperated German auto club spokesman: "It's not as if people are driving in a tank with only a small slit to see out."

Nor are we British faring much better. Recently an ambulance in London went 400 miles to make a 20-minute trip, and last year another took 90 minutes to convey a crash victim to a hospital 10 minutes away. Both farces were blamed on "faulty sat-nav" programming.

URBAN LEGEND...

...OR HARD FACT? YOU DECIDE!

Not hoaxes or tall tales at all, but genuine phenomena and things that happened to real friends of friends of people's distant relatives... No honestly.

"THE DECAPITATED MOTORCYCLIST WHO MUCKED UP THE WORLD"

In April 1962 a young American man on a motorcycle was overtaking a juggernaut transporting a load of sheet metal along a road in Ohio when one of the sheets shifted outwards and neatly sliced off the misfortunate rider's helmet and skull. His headless body continued riding the motorbike alongside the truck, the dead fingers still holding back the throttle. As the corpse came up level with the cab the driver saw the headless cyclist and immediately had a stroke, and his truck jack-knifed into a bus-shelter crammed with people. Though many were maimed, the only fatality in the queue was a 12-year-old boy who would otherwise have grown up to become the president of the United States instead of George W Bush.

"THE HOODED WOMAN WITH THE STARING EYES"

A girl got on a train one night. She sat down opposite a dark-haired woman, who was parked between two men. For the next 35 minutes the woman seemed to be staring at her without blinking, but she couldn't be sure if the stare was meant to intimidate her or not because the woman had her coat-hood up.

At the next stop, a man got on the train and sat next to the girl. After about five minutes he whispered to her: "Get off at the next stop with me! It's important! You must trust me."

At the next stop the girl got off the train with the man and watched the train speed away. The man then turned to the girl and said: "Thank God, I'm the ghost of a doctor and could tell just by looking at her that that starey-eyed woman in the compartment was dead – the two men beside her were holding her up!" He then tied her to the tracks and a train ran over her, severing her arms and legs.

"THE MAN WITHOUT A FACE"

One time in Manchester a youth had his face literally kicked off by a gang of thugs. Later on, a priest took pity on him and armed him with a meat cleaver, and a kindly Sushi restaurant proprietor taught him the way of the samurai.

Years afterwards, he took his revenge and nobody knew who he was because he had no face, nor could witnesses describe what he looked like to the police because without a face he could have been anyone. Even more terrifying for those who had kicked his face off in the first place and had done this to him, none of them could be sure who it was who was chopping them to pieces.

The Mel Gibson movie *Man Without A Face* is based on his story.

In this month...

Julius Caesar
FOR ADULTS

15 YEARS AGO

1992. Supreme Russian drunkard Boris Yeltsin gets so smashed out of his face that even his best mates and what remains of the KGB can't deal with him. Despite strenuous efforts to force Yeltsin to keep them on, the plastered and increasingly belligerent premier succeeds in removing his trousers and tying them round his head before clambering onto a table in the Kremlin and performing a traditional Cossack dance on his arse. Pravda announces that the prime minister has been hospitalised again and repeats that he is definitely not a dangerously unbalanced alcoholic who is liable to let the whole CIS go to pot.

42 YEARS AGO

1965. Valerie Singleton creates the first-ever *Blue Peter* spaceship out of two toilet-roll holders, a squeezy bottle, four spent matches and several sheets of brightly coloured sticky-back plastic. Her cheap and cheerful yet serviceable interplanetary craft design will profoundly affect the thinking of a young Colin Pilger and several other British engineers and form the basis of the United Kingdom's space program in the decades to come.

62 YEARS AGO

1945. Secreted in his bunker beneath the Russian-infested, mangled city of Berlin, Adolf Hitler, already infuriated beyond all measure at his generals for their failure to take Stalingrad two years previously and the dreadful fix it has now got him into, throws a complete hairy fit and orders the immediate execution of the Feldwebel in charge of the bunker laundering facilities when he finds he has no clean Y-fronts and will have to wear yesterday's again. For the leader of the National Socialist Party, it is the last psychological straw and he vows to take his own life rather than have the Russians capture him in two-day-old grundies.

2,051 YEARS AGO:

44 B.C. Recklessly ignoring some stargazer's warnings concerning the Ides of March, Julius Caesar is stabbed to death by his best mate Brutus and chums in the course of a Shakespeare play, on the lower steps of a portico. It's a demise which puts a merciful end to his little-known decades-long battle with diarrhoea and epilepsy... though not, embarrassingly enough, immediately. His last words were not "Et tu, Brute? ("And you, Brutus?"). How in hell would Shakespeare know what he said 1600 years later. Suetonius, however, who was there at the time, reports his last words, spoken in Greek, as "Giati milo ta ellenika" ("Why the fuck am I speaking Greek?") while Plutarch says he said nothing, only whined a little and pulled his toga over his head while up to 60 conspirators kicked his head in in an act that can only be described as brazen infamy.

PAO WOW!

If you had Paola down as the shy type, you don't know how wrong you are!

PHOTOS: NICHOLAS SAGE

When we were introduced to Paola one of the first things we were intrigued about was her name. OK, that's a blatant lie, it was one of the last things we were intrigued about after her boobs, her bum, her pussy, her legs… but hopefully you get the idea. It turns out she's from the continent and her name, among other things, means 'modest'. So is she?

"Definitely not, otherwise I wouldn't be pursuing a career in porn. I love showing off my assets because I know how attractive they are to the opposite sex. And other women for that matter. I don't get embarrassed when someone pays me a compliment, in fact I love lapping compliments up. But that's not the only thing I love lapping up…" ♣

BLUE TOOTH

Technological essentials for the 21st century chap. JACK BRAND picks out the good, the bad and the ugly of the gadget world...

The wireless technology known as Bluetooth is named after a 10th Century Viking King named Harald Bluetooth. Whether or not his ability to communicate without wires was particularly impressive is unconfirmed, so I think we're just going to assume it was and move on.

So, what is Bluetooth and is it really just useful for arranging anonymous sex with strangers in nightclub toilets? Well, firstly, like a puny form of Wi-Fi, Bluetooth uses radio waves across a very narrow bandwidth to send information between devices, such as from mobile phone to mobile phone... to arrange a bunk up in the bogs with anyone who answers your random invitation. Which I think answers the second question.

At least that was the reality of Bluetooth until very recently. Previously only useful on mobile phones for sending messages and pics within its 10-metre radius, now there's a wealth of new devices on the market that finally see Bluetooth being used to its full potential.

Operating at a frequency of 2.4GHz, Bluetooth is completely free to use. But just what can it be used for, other than the lewd example given above? Well, quite a bit, actually.

The first time Bluetooth really came into its own was when the motoring laws concerned with the usage of mobile phones changed (making the usage of handsets illegal while driving). Prior to the law coming in, certain clever companies like Nokia and Jabra released those cunning Bluetooth earpieces that mean you could still make calls while driving without breaking the law. But, while making you look like a fucking loon to other road users who see you gabbing to yourself, sadly there are people that now wear them while walking around. The cunts.

Another handy use for Bluetooth is for sending info between computers, but far more fun than that is finally getting rid of pesky headphone leads. Thanks to the arrival of Bluetooth headphones from the likes of Jabra, simply plug the Bluetooth transmitter into the base of your iPod, pop on your headphones and twist and jive to your heart's content without strangling yourself.

And on top of that, there are digital cameras with Bluetooth, now which can beam your pics wirelessly to your PC, printer or digital photo frame – and there's even one cunning device that uses Bluetooth to connect your mobile phone and iPod, so that you can make and receive phone calls on your digital music player without ever having to touch your phone or take off your headphones.

So, from a piss poor beginning to a world-recognised standard that can unite all your gadgets for free and, yes, can even secure you seedy sex with strangers – God bless Harald Bluetooth…

Here's one honey whose bite is worse than her bark – ooh, kinky!

PHOTOS: D.M^cCORMACK

She might be a regular face (and body) on page 3 of the tabloids and the covers of the men's magazines that reside on the lower shelves, but how do we know Natasha is a real porn pro at heart? Well, a glamour model might try and project a sexy side by dressing up in kinky costumes, but when Natasha dons some PVC and grabs hold of a whip it's not for show…

"You wouldn't believe the number of models I've worked with who come across as sexually adventurous in front of the camera but the minute I try something kinky on with them, they get all coy. I was on this shoot with another girl and we had one of those leather paddles to pose with. I must admit she did look the business wielding in front of the camera but when I suggested we use it for some after shoot fun she looked at me with utter disgust. Miserable cow!"♣

THERE SHE BLOWS

A male whale and a female whale were swimming off the coast of Japan when they noticed a whaling ship. The male whale recognised it as the same ship that had harpooned his father many years earlier.

He said to the female whale, "Let's both swim under the ship and blow out of our air holes at the same time and it should cause the ship to turn over and sink."

They tried it and sure enough, the ship turned over and quickly sank. Soon however, the whales realised the sailors had jumped overboard and were swimming to the safety of shore. The male was enraged that they were going to get away and told the female, "Let's swim after them and gobble them up before they reach the shore."

At this point, he realised the female was becoming reluctant to follow him. "Look," she said, "I went along with the blow-job, but I absolutely refuse to swallow the seamen!"

CAUGHT SHORT

Two men were fishing in a boat in the middle of a lake when they found a lamp floating in the water. One of the men picked it up and rubbed it, causing a genie to appear from the lamp. Unfortunately, it was a very low-level genie and could only grant one wish. The men thought for a few minutes and then wished for the entire lake to be made of the best beer in the world.

With a poof! the wish was granted but then all of a sudden, one of the men got really angry.

"What's the matter?" asked his mate.

"Now we have to piss in the boat!"

NO SMART ANSWERS

An office exec was interviewing a blonde for an assistant position, and wanted to find out a little about her personality.

"If you could have a conversation with anyone, alive or dead, who would it be?" he asked.

To which she replied: "I'd have to say the living one."

FUZZY FUZZ

A drunken man was wandering around a pub car park, bumping into then rubbing the roofs of the cars. The landlord came out of the pub and stopped the man.

"What the heck are you doing?" he asks the drunk.

"I'm looking for my car, and I can't find it," the drunk replies.

"So how does feeling the roof help you?" asks the puzzled landlord.

"Well," replies the drunk earnestly, "my car has blue lights and a siren on the roof!"

FACING UP TO IT

A woman went to her psychiatrist because she was having severe problems with her sex life. The psychiatrist asked her many questions but did not seem to be getting a clear picture of her problems. Finally he asked, "Have you ever watched your husband's face while you're having sex?"

"Well, yes," she admits. "I actually did once."

"And how did your husband look?"

"Angry, very angry."

At this point the psychiatrist felt that he was really getting somewhere and he said, "Well that's very interesting, we must look into this further. Now tell me, you say that you have only seen your husband's face once during sex; that seems somewhat unusual. How did it occur that you saw his face that time?"

"He was looking through the window at us!"

WETTER'S BETTER

A man goes to the doctor and tells him that he hasn't been feeling well. The doctor examines him, leaves the room and comes back with three different bottles of pills. The doctor says: "Take the green pill with a big glass of water when you get up. Take the blue pill with a big glass of water after lunch. And before going to bed, take the red pill with another big glass of water."

Startled to be put on so much medicine, the man stammers: "Blimey, doctor! What's the problem?"

The doctor says, "You're not drinking enough water."

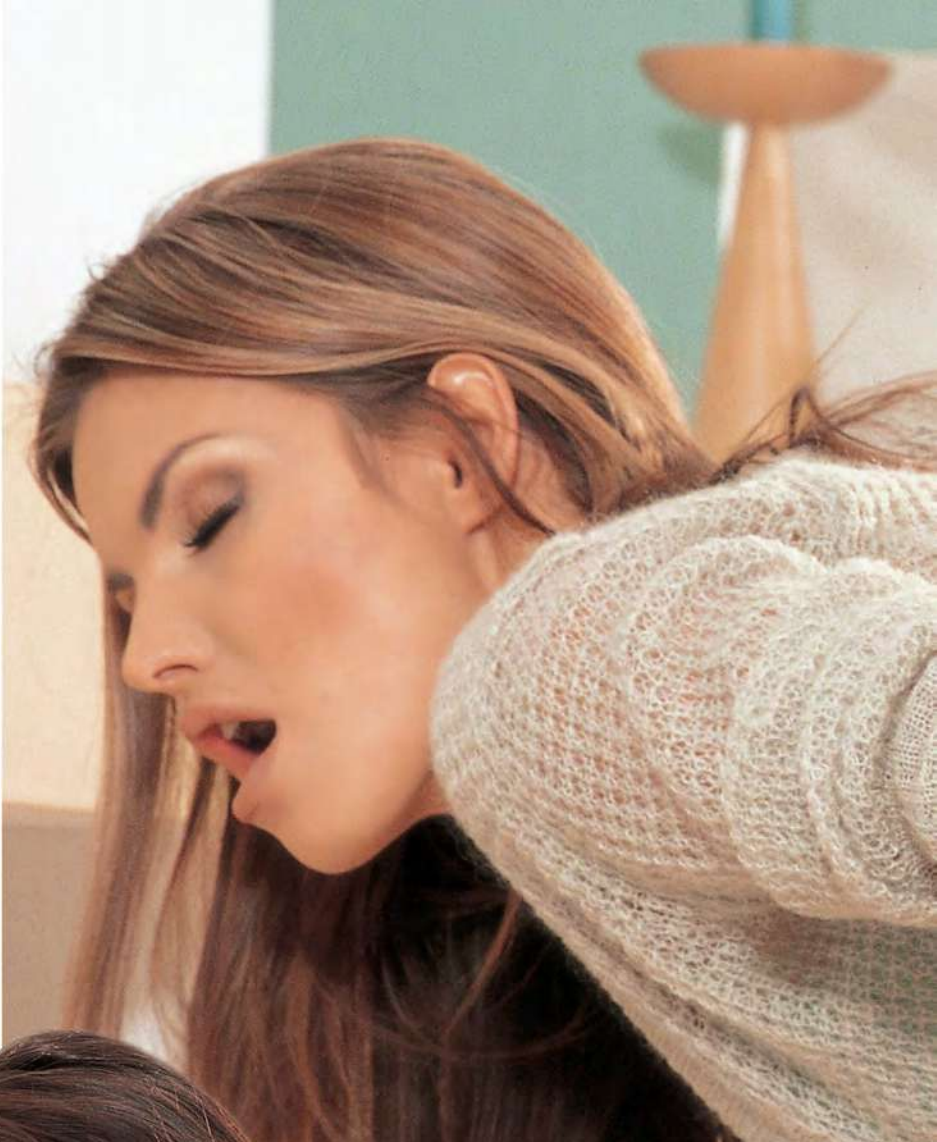
SON' DOWN ON SUZY

It was easy getting these two together, just difficult to get them apart!



PHOTOS: STEVE COLBY

Two high-spirited hotties spending an evening indoors together after a busy day shopping! What could be more warming than that idea? How about two fun-loving friends getting a little bit closer on that night in? Girls can get so carried away sometimes, and it doesn't take much for Sonia and Suzy, especially when they've been teasing each other all day.

"I've been gagging to get Sonia naked today," Suzy admitted, as she took to undressing her beautiful friend. "She's been giving me the come-on all day and it's got me so horny!"

"I knew I was getting you all excited," Sonia confessed. "When we were in the lingerie section of that department store I could see how you were getting so turned on with the idea of me in some of the saucy underwear. "

"You're damn right. I wanted to drag you into one of the changing rooms and lick you out there and then but it wasn't really the place we could get away with it. Besides I knew this evening you would be all mine so now I can have my wicked way with you – open those lovely legs of yours and prepare for my tongue!"

MORGAN MEETS THE EYE!

Whether you're hot in pursuit of a nasty Channel Islands crook or just out for a leisurely Sunday afternoon cruise, make sure you do it in style...

Cars often make police TV dramas. The array of cool Fords hammered around on the set of *The Professionals* shaped the brand of choice for many young drivers to be, while Morse's old Jag was a work of art, and Magnum's Ferrari 308 GTS just flash. And then there was *Bergerac*.

This Saturday night tosh took viewers to the exotic location of Jersey, where St Helier is apparently the crime capital of the Channel Islands. And while the housewives fawned over a dashing young John Nettles, blokes would have been wondering what kind of shit car it was that our hero, Jim, drove. Well, it was a nasty old Triumph TR1. No point having a flash Capri or Ferrari here; the speed limit is only 30mph on Jersey, so why not tool about in some horrid British piece of junk?

But those casting the star car missed a trick plumping for the Triumph. If Bergerac wanted something with classic curves and running boards, the natural choice was a Morgan. Why? Because the only Triumph worth owning is a Stag, and Morgan is a legend in its own right. Formed in 1912, it is one of the few British manufacturers to remain completely independent. Yet just because it's small doesn't mean Morgan can't compete – and its new Aeromax has its sights firmly set on the best Ferrari and Porsche have to offer.

Until now, the firm has been known almost exclusively for its traditional styling and fabric roofs, and the Aeromax's hand-crafted door handles and wing mirrors uphold its reputation for impeccable quality and attention to detail. The newcomer is based on the classic, long-serving, £62,500 Aero 8, and under the skin is the same aluminium-bonded monocoque construction – but to look at this car, you wouldn't know it.

While it shares the distinctive round headlamps, moved into a more conventional position to follow the Aero 8's recent facelift, the Aeromax is 6cm wider and has much greater road presence. Of course, it's the back end most people will see, because as the Aeromax tips the scales at only 1,150kg, its straight-line performance is brutal. As soon as you touch the pedal, the response is immediate, with the car blasting off the line and hurtling from 0-60mph in less than five seconds.

As the raucous sound from the side-exit exhausts reveals, it's all thanks to the BMW-sourced 4.4-litre V8 engine. It's mounted at the front of the car and drives the rear wheels – the most loony layout in the supercar world, given the power on offer, but a recipe for guaranteed fun whatever the road and whatever the conditions. The Aero 8 platform is pretty stiff anyway, but the metal ball-jointed suspension provides even more rigidity, and with its superbly precise steering, the car serves up impeccable cornering ability to match its pace.

Inside, a beautifully crafted ash frame surrounds the cockpit, and the material is also used for the dashboard. Gorgeous dials and switches feature throughout, and as you settle into the wonderful leather driver's seat, you realise how perfectly positioned everything is. All the controls fall easily to hand. On top of that, you get a reasonably spacious load bay behind the seats, accessed by a stunning gull-wing tailgate, plus matching, custom-built luggage from high-maintenance Italian designers Schedoni.

Custom-built luggage? Jack Regan would nick you for even saying the words, then give you a proper kicking for good measure. Bergerac, on the other hand, would thoroughly approve of the Aeromax, even though tubby Nettles probably couldn't fit in one these days. However, with its performance and exclusivity – only 100 will be made, and buyers need to put down £25,000 of the £110,000 asking price up front – this car is more suited to millionaire Jersey villains than jobbing old Bill. ♣

Meet Cassie, she's a farmer's daughter, and you know what they say about farmers' daughters, don't you? You do? Well, please tell us as we're urban-dwelling folk and the nearest we ever get to a farm is the dairy section in the local supermarket. Still, Cassie has given us a good idea of what a farmer's daughter is like…

"Living in such a remote area means I don't tend to turn down any sexual advances that come my way. I'll fuck anything as long as it's got a pulse and an erection. I know that make me sounds desperate but have you got any idea what it's like to go without sex for more than a week?"

Err, do we really have to answer that one, Cassie? ♣

NAME: Di
AGE: 18
VITAL STATISTICS: 32-28-32
WHAT'S SHE LIKE? In the words of her lucky boyfriend: "A right little handful!"

WHY DID YOU WANT TO BE IN CLUB?
I'm an attention seeker so it was either this or apply to be on *Big Brother*. As sociable as I am, I think I would have got pissed off being cooped up in a house with a bunch of fame-seeking morons for so long, so I reckoned this was the classier option!

IF YOU WERE TO GO ON *BIG BROTHER* WOULD YOU HAVE SEX IN FRONT OF THE CAMERAS?
Well, if I did it wouldn't be the first time!

REALLY? TELL US MORE…
My boyfriend works in an office and one day I went to meet him from work. We were so horny we started fucking in the office car park. What we didn't know is that there was a CCTV camera capturing it all and when my boyfriend went to work the next day, all his mates had seen it! The thought of that really turned me on.

WHAT ELSE TURNS YOU ON?
I love being licked out. I can't get off completely unless a guy has been down on me. Fortunately my boyfriend loves the taste of my pussy and will gladly spend hours down there. He really knows where to put his tongue.

AND DO YOU LIKE GIVING ORAL?
Of course! It would be a bit selfish of me if I didn't. I love the look on my boyfriend's face when I'm sucking him off and he's moments from spurting his load. I can tell he's properly satisfied.

DO YOU SWALLOW IT?
Naturally. All bad girls do. And I'm a very bad girl… ♣

Aperture (Ninn Worx) DVD

Heather Vuur stars as a photographer who snaps naughty girls and boys and joins in the action. Pretty straightforward setup, it has to be said, but we all know what makes or breaks a grot flick, so let's check out the action. Scene one, an outdoor girl/girl with Carli Banks is strictly regulation stuff – they lick each other out before grinding off with small glass dildos, while in scene two anal queen Rita Faltoyano keeps things resolutely vaginal with her stuntcock. And so it continues. Marie Luv gives the most eye-catching scene, but the whole thing seems to have been shot at the wrong ratio or something, making it all appear rather disconcerting. Oh dear. ★★

Supreme Hardcore 2 (VivThomas.com) DVD

Quite a few familiar faces turn up here, getting put through their paces in a selection of single girl, girl/girl and boy/girl action. Feline Mya Diamond's up first, getting a quick shafting and a mouthful of goo, before a quick tease scene in which *Club* cutie Sonia Red plays with herself. Mya's back in action next, this time coupling up with *Club* Hall of Famer Josie, in what turns out to be a relatively soft scene. Eve Angel's after that with another teaser, before Lora takes a dicking. There's more girl/girl to come, this time featuring the delectable Zafira (better known to *Club* readers as Beth), but no more cock. No nonsense scruff featuring tasty girls. Could be worse! ★★★

Gang Bang 5 (Red Light District) DVD

This is a lavishly produced double boxed set, so you might think there are plenty of girls to check out. Wrong! One disc is dedicated to (the admittedly lovely) Naomi, while the other is given over to the filthy Sasha Gray. Scene one on both sets features the girls getting nailed by a roomful of gleeful fellas, and, it has to be said, it's all as filthy as you could wish for. Loads of anal, DPs and then gallon loads of cum at the end make this a real raincoater's choice. The discs are then padded out with scenes involving the girls from other movies. A bit cheeky, but then for fans of either girl in question, what could be better? Don't watch it with the missus, though. ★★★

BORAT
CULTURAL LEARNINGS OF AMERICA FOR MAKE BENEFIT GLORIOUS NATION OF KAZAKHSTAN

A film released amid such vast – and dubiously controversial – hype doesn't need any further ballyhoo from us, but we urge anyone who hasn't yet seen this comedy classic to do so. Immediately. Playing the highly offensive TV reporter from Kazakhstan, Sacha Baron Cohen confirms himself as a comedy genius with balls of steel as he travels across the US, inadvertently exposing the bigotry of its citizens. It's 100 per cent belly laughs from start to finish, and without giving too much away, anybody capable of pulling off *that* hotel fight scene without breaking out of character deserves a knighthood! High five, indeed! ★★★★★

HORNY WOMEN, HOLLYWOOD NIGHTS
THE RISE OF THE HEDGEHOG!

Well, he's had the sort of life most of us can only dream of, so it's high time the Hedgehog himself put pen to paper and let us in on all the stories. And what a tale he has to tell, from his first steps into the porno demi-monde of New York to his ascent to scruff superstardom on the back of appearances in knocking on 2,000 flicks. Jeremy's always been an engaging character, and you really get a sense of his mischievous charm as he lifts the lid on the ins and outs of America's porno industry. There's loads of name-dropping, as well as lists, tips and various other asides to keep things rolling along very nicely indeed! ★★★★

The Last Kiss (Momentum Pictures)

DVD

Ah, another film about people getting to the age of 30 and suddenly realising things are getting serious. This one stars Zach Braff of *Scrubs* fame, who, after knocking up his girlfriend, suddenly discovers there are other fish in the sea. Poor sod – he's got the delectable Rachel Bilson coming on to him, and what's he supposed to do about it? A couple of side stories involving his friends' relationships add a bit more substance, and in the end this turns out to be a fairly rewarding little flick. Nothing too ambitious – just a well cast and nicely played look at the dilemmas that face us all from time to time. ★★★

Marie Antoinette (Sony Pictures)

DVD/BLU-RAY

An interesting change of direction from director Sofia Coppola, after scoring a mega-hit with *Lost In Translation*. This time she's playing the historical drama card, but sadly things appear to have gone off rather half-cocked. Kirsten Dunst plays the doomed queen with American accent resolutely in place, and the faddy editing, modern music and thoroughly chick-flick take on the subject doesn't really work. Shame, because the cast list looked pretty promising. Still, visually it's a winner – shot on location at Versailles, it's also bagged an Oscar nomination for costumes. Just a pity about the rest, though… ★★

performance.
Mick Jagger.
And Mick Jagger.

Dating from 1968 (although not released until 1970), this is as prime a slice of swinging 60's weirdness as you could want. James Fox (who doesn't even get a mention on the cover) stars as a gangster whose hot head finally gets him out of his depth. Forced into hiding, he finds himself holed up in the basement flat of rock star Mick Jagger's Notting Hill house. The worlds of the two collide with some seriously mind-bending results, while Anita Pallenberg makes sure it's always pleasing enough on the eye. Innovatively directed by Nicholas Roeg and Donald Cammell, this is definitely worth an evening of anyone's time. ★★★★

Remember when they used to make films about the Vietnam War? Well here's another one, cold on the heels of some of the greatest war films ever made. OK, so this doesn't quite have the intensity of your *Apocalypse Now*, or the Kubrickian precision of *Full Metal Jacket*, but it's still a satisfying enough take on the subject. Starring movie stalwart Michael Ironside as a veteran who got left behind on the battlefield by his own platoon and who – perhaps not unsurprisingly – still bears quite a few emotional scars from the war, *The Veteran* contains some scintillating action sequences and some thought provoking undercurrents. ★★★

Volver (Pathé)

DVD

Spain can boast two or three directors who've made their mark internationally, but there's no doubting who the daddy is – Pedro Amodóvar. He's been detailing the lives of mixed up women, trannies and even the occasional straight male in some style for years. Last year's offering, *Volver*, turned out to be a real showcase for Almodóvar protégée Penelope Cruz, who ended up with a well-deserved Oscar nomination for her part in this tale of three generations of women (well, one's a ghost) trying to sort out a big family mess. OK, so you won't get many shoot-outs or car chases or anything, but if you liked his other stuff, you should love this. ★★★★

DVD

And from one masterful foreign director to another. OK, so French New Wave might not be everyone's glass of pastis, but movie-goers in the know tend to regard a lot of it pretty highly, and it's not hard to see why. These three films from Goddard, all hailing from his 1960s heyday, caused quite a stir when they came out, and they still stand up well today. *Vivre Sa Vie* and *Two Or Three Things I Know About Her* follow the theme of prostitution in one form or another, while *Masculin Feminin* bagged loads of awards for its portrayal of a French society in turmoil. If you want girls to think you're smart, what could look better on the shelf? ★★★★★

LUST AT LAST

I had been seeing my latest boyfriend, Fraser, for a couple of months and while he was good-looking, fun to be with and relatively well off, the sex wasn't particularly brilliant. I couldn't explain what was wrong with it. Fraser had a generous eight-inch cock and didn't have any trouble getting it up, but for some reason he just couldn't make me come. Eventually I had to take matters into my own hands, which basically meant finishing myself off shortly after having sex with him. This was all very well as you can't beat a bit of self-pleasure but it was no grounds for a relationship and not wanting to cheat on Fraser I decided I'd have to dump him. Fortunately he earned himself a last minute reprieve.

It was one day after work when Fraser had met me at my flat. I had cooked him a meal, we'd sank a bottle of wine and I was contemplating breaking the bad news to him. When he started getting off with me I was tempted to come out with it then, but I could sense something was different. With a mischievous twinkle in his eye, Fraser said he wanted to try something special. He asked me to play with myself for him. "I want to make you come, but I don't know how you like it," he said.

That really had me turned on! The thought of pulling off my clothes and flicking my clit in front of him had me totally excited; I was getting hotter than I had ever been before. And something told me this was going to work.

"Take your bra off, so I can see those great tits of yours," Fraser demanded.

I swung my hips in a lazy circle and danced over to him on the sofa. Standing over him, I made him remove my bra with his teeth. Once free, my ample boobs fell right into his face. He took one breast in each hand, pulled me to his face and began to suck my nipples.

I put a hand between my legs – I just couldn't resist. Fraser saw me, backed off and watched as I slipped two fingers deep into my wet pussy. I nodded towards my empty bedroom and walked out of the lounge. Naturally, he followed.

Once in my bedroom, I laid on the bed. Fraser removed my jeans with a quick tug and left me with nothing on but my thong. He sat at the end

> ***"He took one breast in each hand, pulled me to his face and began to suck my nipples"***

of the bed and asked me to frig myself for him. I slid my fingers back down.

I closed my eyes and pushed my thong to the side. I traced little circles around my clit, causing ripples of pleasure to spread throughout my body. I arched my hips up and put my middle finger all the way inside of me, past my second knuckle. I was so worked up my pussy began to spasm. An ocean of come built up inside of me, as my cunt started getting hotter and dripping wet. My right hand circled my clit faster as I pushed my finger in and out of my hole.

Suddenly I was rocked with such intense pleasure that tiny moans and low, rolling growls began to escape from my lips. With my hips bouncing up and down on the bed, my finger slipped out, and I gripped the bedsheets with all my remaining energy. I shook with ecstasy and lay still for a minute to catch my breath. My body had never been rocked like that before!

Totally speechless, Fraser smiled and dove for my crotch. He removed my wet thong and ate my hole with great precision. Then he stopped, and looked up at me. His face was glazed with my pussy juices, but it didn't stop me from planting the deepest, wettest kiss ever on his lips. "Please fuck me," I moaned.

Without wasting a second his clothes were off. He mounted me and penetrated my slit slowly with the bulging helmet of his cock. I felt his dick tremble inside of me. I spread my legs wider and he slipped all the way into me.

He swivelled his hips in a circle, all the while still buried eight-inches deep. I could feel his pelvis push against my clit, and it was driving me over the edge. I got this sudden rush of pleasure, followed by a huge release.

I must have come a lot, because when Fraser lifted himself off me, my juices were dripping off his body. It was not just his groin area that was soaked, I had splashed halfway up his chest! I couldn't believe it; I came more than I ever had by myself or with any other guy. But there it was – my first real orgasm with Fraser and needless to say it wasn't going to be the last. – *Kerry, Dover*

IN WITH THE OLD

As a young lad just out of my teens I tend to go for one night stands with different girls as opposed to finding "the one" and settling down with her. I don't have much trouble pulling and given the places I frequent on a Saturday night I usually end up taking something home. If only for one

night. In the last year I've fucked an endless array of women, or I should say girls as I've made it a rule not to fuck anyone more than a few years older than me but all this changed when my mate set me up on a blind, well, I guess you can call it a blind blow-job. Although it turned out to be a blinding blow-job.

My mate kept telling me I had an admirer but he wouldn't say anything other than that. He said it was a woman he'd heard was the best so I wondered if she was a Angelina Jolie lookalike or just some young tart who knew how to suck a dick. It didn't matter though, thinking with my dick I was excited and after getting her phone number we started swapping really dirty text messages. After a few days she was obviously turned-on enough to invite me round to hers.

When I went to her house and knocked on the front door I was shocked to find an older woman – in her forties, I'd say – called Shelley. She wasn't bad looking, and she had a nice tight bod for her age, but I was usually one for a younger model. Yet there was something about her confidence that got me. I thought maybe an older woman would give me the best cock-sucking I'd ever had, Shelley had twice as much experience as the girls I usually shagged, so I figured what the hell? She led me to the lounge and told me to sit down. She stripped

down to some pretty satin lingerie. I was surprised at how the shiny clingy purple bra nd knickers looked on her. She was actually fairly enticing when she started rubbing against me and the satin felt good against my skin. Even though I'd fucked loads of women before, in this particular instance, it felt really filthy. I thought about it for a while and then I realized it was because it was like I was about to fuck someone's mum! My cock got hard and she took that as indication to go to work.

Her mouth was warm and sticky and in one quick gulp she took my entire shaft. Shelley's tongue was tickling my balls and getting them soaked too. She started moaning all over my cock while her fingers traced all over my inner thigh. After her first deep-throating display, she withdrew from my cock and I was buzzing. I'd never been so completely drenched in saliva from the tip of my prick to her sticky droplets on my balls. Even the air felt good on my stiffy as she blew on it and gave me a few gentle strokes with her hand. Then she went right back to work, taking me balls deep in her mouth and working her whole throat all over my fleshy rod. It was like two girls were working on my cock! One who was sucking right on the tip near the sensitive glans and another who was working the bottom of my shaft with some sweet slurps.

I was bucking and ready to shoot, but as soon as Shelley noticed my balls getting tight she locked her fingers around the base of my cock in a vice grip. I was right on the edge of a mind-blowing orgasm, but couldn't come until she let me! And all the while she was still giving me that great blow-job. It was the longest, sweetest agony I'd ever felt. I could feel my balls bunching up so hard the sac was as tight as a fist.

"Her mouth was warm and sticky and in one quick gulp she took my entire shaft"

"Oh my God! I need to come!" I yelled. "It's too much! I can't take it any more!"

I felt her laughing on my cock as Shelley sped up her motion on my shaft, really just making love to my dick. She pulled away and stroked my slick shaft while she looked at me.

"Your knob is so fat," Shelley said. "It opens my throat every time I go down on you. It's so thick and heavy in my mouth."

And then she went right back down to sucking and released her grip on my cock. It was like a heavy weight was lifted from my prick, and I squirted off like a loose hosepipe. I think even she was surprised because she had to move her mouth off my cock as jet after jet of jiz went streaming out of me. I was still spurting spunk on her chin, and like a true come-junkie she kept wanking and licking me even with my spunk-storm blasting at her.

Well, I certainly learned my lesson about judging a book by its cover and Shelley opened a door to new erotic experiences for me, so much so I always give the older ones a chance these days! - *Danny, Southampton* ♣

FILLING ALL HOLES

I've never confessed any of this to anyone before, but your magazine seems so liberal that my boyfriend Jake, and I thought your readers might be interested. We are a fairly attractive couple in our mid-twenties, and even though our sex life is very satisfying, we sometimes enjoy getting a little kinky. For example, I'm naturally open to anything and nothing arouses me more than my boyfriend treating me like a slut.

One night last week, Jake asked me to kneel naked in the middle of the living room while he went out of the house. Shivering with anticipation, I eagerly did what he suggested. Luckily he wasn't gone for too long. My knees, shoulders and arse were getting a right workout when he walked through the front door with another man. The handsome stranger seemed surprised to see me there in such a state.

"You weren't kidding!" he said to Jake.

Jake told me the guy's name was Martin and that I would be servicing both of them for the remainder of the evening. My puffy, pink nipples stiffened and my loins quivered at the thought of being the personal slut of two powerful men. The minute Jake told me to give the towering hunk a blow-job, I eagerly removed his jeans and boxer shorts and began bobbing slowly on his throbbing cock. It took a little time for him to realize what a total slut I am, but after some coaching from Jake, he was squeezing my fat tits and throat-fucking me hard.

> ***"I lovingly accepted his rigid prick in my mouth while Martin munched on my muff"***

Once Martin had dumped his sticky load down my throat, Jake suggested we retire to our basement playroom, where they could have me at their leisure. With Martin's semen dripping from my chin in long, thin strands, I watched both men strip. Then I followed them to the cellar where I allowed Jake to lay me out spread-eagled on our large, circular bed. I lovingly accepted his rigid prick in my mouth while Martin knelt between my long legs to munch on my muff. By the time Jake filled me with his seed, I was hitting my peak on Martin's slurping tongue. My own orgasm was very intense, draining me completely, but Martin had grown another hard-on and Jake was more than ready to offer me up to his new friend's burning lust.

"Fuck her!" he grunted, lifting my legs high in the air. "She loves it!"

I knew he was right. The instant Martin's prick slammed into my oozing hole I started heating up fast. Martin's recent orgasm enabled him to prolong his performance long enough for me to come twice.

"Damn! Your girlfriend's a right slut!" I heard Martin pant, collapsing on a nearby chair.

"You haven't seen nothing yet, pal!" Jake replied, tossing my favourite twelve-inch dildo onto my belly. "Give us a sexy show, love."

The sight of those two big burly studs sitting there naked, with their massive cocks slowly rising from their hairy groins, had me creaming down the insides of my thighs like crazy. I put on a performance, rolling sensuously all over the bed while seesawing the fake dick in and out of my snatch until I finally ended up on all fours with the dildo wedged securely up my slot and my perfectly round arse high in the air.

"Look at that bum!" Martin grunted. "I'll bet she's got a tight shitter!"

"Try it out," Jake barked, hopping over to pry my arse cheeks open and spit on my gaping brown hole.

In a flash, Martin was on the bed behind me, ramming his swollen cock up my back passage.

"Oooh, yes!" I screamed, as his thrusting cock pressed my pelvis down over the dildo still stuffed in my cunt. It was like I was being fucked in both holes at once. My third available orifice was stuffed a second later when my boyfriend slid his pulsating rod past my parted lips. Suddenly I was frantically rocking my quaking rear back and forth between Martin's cock and my plastic friend, while my lips bobbed steadily on Jake's dick. Before I realized it, waves of warm pleasure rumbled through my shivering body, causing me to automatically clamp my sphincter shut around Martin's cock.

> ***"It took some pushing but it eventually burrowed deeply up her anal passage"***

"I'm going to shoot!" he bellowed.

"On her face," Jake groaned, yanking his thick prick from my sucking lips.

That was exactly what I wanted. Tilting my head sideways, I peered at Martin and lewdly extended my tongue. Both men fired off simultaneously, launching a barrage of spunk globules all over my face, neck and tits.

After a brief rest, we partied on through the night like a bunch of sex addicts. Maybe that's what I am because when I found out Jake was loaning me out to Martin for a stag party the following weekend, my pussy started gushing. I couldn't wait! – *Carrie, Leeds*

ANTIQUES ROGUESHOW

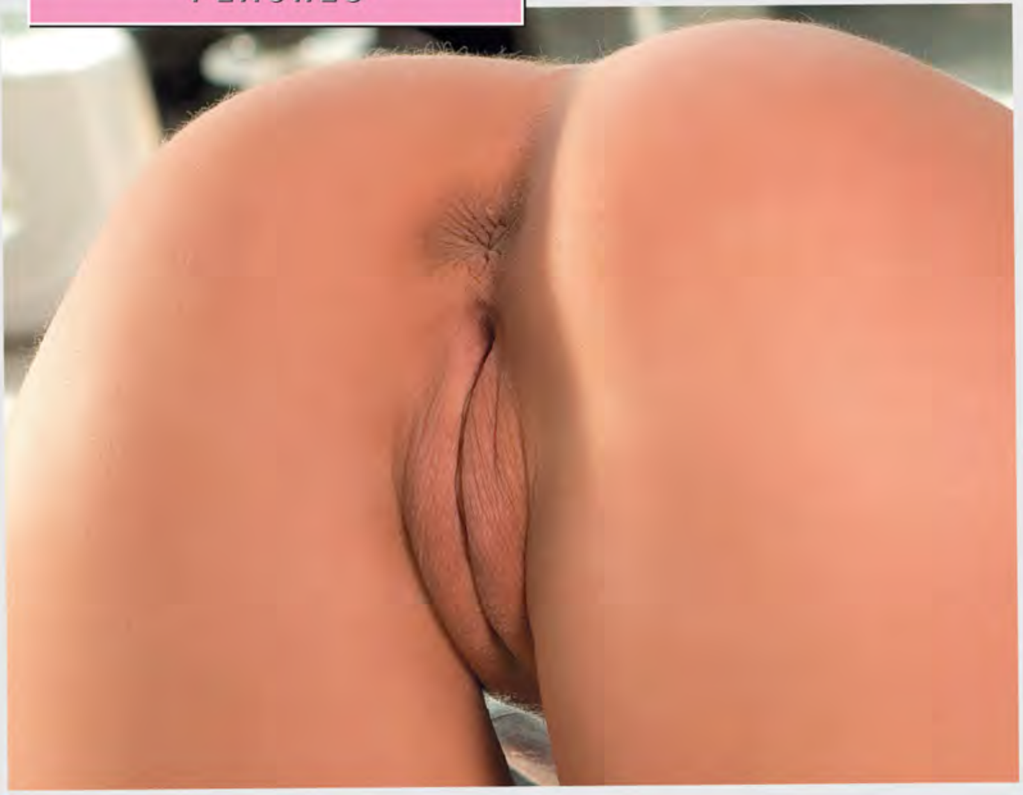
I have an intense love of fetish lingerie. For some guys, I guess that means black latex or pink lace. For me it's old-fashioned ladies' underwear, like white cotton panties or industrial strength bras, the kind you find in mail order catalogues. And how many times did I wank over them when I was younger? The thing that really used to turn me on was seeing my next-door neighbour's undergarments hanging on the clothes line in her back garden.

There they were, right out in the open. Panties, bras, slips, girdles – every single item used to give me a hard-on. I guess I stored away all those memories. Then recently I started dating a very interesting woman. Interesting for a lot of reasons. To start with she's a little bit older than me – and definitely a lot more experienced with it. I had dated quite a few young babes before, but there was always something missing. Well, Angela (my new girl) had this confident, sensuous air about her. Not out-and-out red-hot. But there was a secret smile she gave me every once in a while that led me to believe there were more than a few kinky thoughts swirling about her mind.

I finally discovered Angela's "secret" when she opened a dresser drawer and I saw a whole bunch of old-fashioned-looking underwear. There were white cotton panties. And heavy-duty brassieres with concentric rows of stitching around the boobs. Just like I remembered from so many years ago! My dick got hard immediately and made a tent in my trousers no amount of leg-crossing could hide or push down. I decided to confess my sins.

I told Angela I adored those kinds of undies, and asked her to model some of the things for me. She told me she also loved that vintage white cotton look. Now here was a woman I could relate to. She started to put on a whole ensemble of her old-fashioned goodies while I eagerly watched. Funny, but I actually found her sexier as she put on stuff, rather than taking it off.

She pulled on a pair of white cotton briefs that came all the way up to her waist. Then she bent forward, letting her ample tits fill up a cotton bra, which she expertly fastened behind her.



Next she pulled an elasticised girdle-type thing over the panties. She threaded some seamed beige nylons up over her limbs and fastened them onto the snap garters at the bottom of the girdle. I was deep in love – or at least lust.

I had been tugging on my cock all the while she dressed. My dick was as hard and as long as it was ever going to get. Angela stood in front of me. I stroked her legs up and down with my hands, loving the feeling of the old nylons. I rubbed my stiff shaft against her legs, and that felt great, too. She lowered herself onto her knees in front of me and started to suck my cock. I was looking down the front of her bra, while her sweet mouth took me inside. The whole scene was so fucking hot, and I was loving every minute of it.

I was almost ready to come when Angela stopped me and said she wanted to fuck. I helped her pull down the girdle and panties. They bunched around her knees as she positioned herself doggy style to take my cock from behind. It slid right into her willing, wailing pussy. Oh my, was she wet! Angela wanted me even more than I wanted her, and that was saying something.

I stroked in and out of her, enjoying the sensation of her hot wet hole around my prick. She moaned and moved her hips as I pushed in and out and then I spied her hole. Her delicate looking brown hole. There was only one thing for it. I slowly withdrew my throbbing cock from her dripping pussy and pressed the tip against her sphincter.

"Oh!" Angela gulped, startled at what I was attempting. Being a gentleman I thought better of it and pulled my cock away at the last minute, but it seemed Angela wasn't afraid. She turned round and literally ordered me to bugger her. Complying, I leaned forward again and pressed my knob against her tight hole. It took some pushing but it eventually slipped in and burrowed deeply up her anal passage. Angela groaned and moaned as she got used to the anal intrusion and then on her instruction I began to pump for all I was worth.

What with the previous excitement of her donning the underwear I couldn't furnish her with a lengthy arse fucking, and within a matter of minutes I let go, shooting an enormous load of jism deep up her bum. She screamed for joy as I filled her up.

Angela and I are seeing each other on a steady basis now. I love her lingerie collection, and she loves my hard dick – especially when it's up her arse. The sex is hotter than anything I'd ever dreamt of before. And the lingerie is hotter, too.

The Club International Stereo of Filth & Love!

Brought to you by Club's No. 1 music madman DJ Radio Jamaica

Klaxons
Myths of the Near Future (Polydor)
Klaxons have had more hype than Pablo Escobar sold cocaine – even Peaches Geldoff became one half of the underage female DJ duo "Klaxons With Pussies." But is it any good? Well, imagine going out for a night on the town with only one line of coke in your pocket – fantastic for the first half hour, then after that it's fucking wank.

Good Charlotte
Good Morning Revival (Sony)
Where there's Good Charlotte, there's lots of young, innocent, and more importantly naïve punk rock skater ladies waiting to be fingered. Take them into the cubicles, put your can of lager on the floor, and think of England. Bonus points for those who wank on their skater jeans.

JUST JACK
OVERTONES

Just Jack
Overtones (Mercury)
Just Jack isn't necessarily a poor man's Mike Skinner, but definitely a slighter skinter version with a few more dance beats. If you're a chav, then this will make you look like John Peel and if you're a trendy cunt then it'll reduce the comedown. Either way, everyone's a winner.

The Decemberists
Crane Wife (Rough Trade)
Another Rough Trade gem, The Decemberists go for the Irish folk edge of the indie spectrum, giving them that extra boost in the intellectual lady stakes. If you're at university and the lady you want to dick is on for at least a 2:1, then give this a go on the old ghetto blaster. Plying them with Lambrini beforehand will further increase your chances. Excellent.

Rup
Rup On Zebra (Zebra Traffic)
If your real name's Rupert, and you've got girly hair, the only way you're going to make it in the macho rap world is if you're actually good at rapping. Fortunately Rup is, even though his punchline-packed rhymes are about untypically 'ghetto' subjects such as playing football, skateboarding and wildlife. Yes, raps about wildlife, so it's bound to score points with happy slappers and hippy slappers alike.

MY SCUZZ 'N' VINNY

Club chats to Villains guitarist Tom Bailey about ripping his ball sack, Graham Gooch's hair, and pulling nurses...

The debut album from Vincent Vincent and the Villains is out in April on EMI

What's the biggest cock up you've ever made?
Well, right now I'm at Liverpool Street trying to draw some money out of the bank and I'm just thinking that my biggest cock up is getting into this mess in the first place. I could have just stayed in Nottingham, drinking with all my mates, got a boring 9-5 job at Capital One credit cards and never been skint for the rest of my life. Getting into the fucking music industry – that was the biggest cock up of my life! Going to Europe, right, with a stupid band who think we're going to be the next big thing and getting ten pounds a day off our tour manager and we're expected to live like rock'n'roll kings! I think that's a massive cock up – but I love it! We'll be the biggest band in the world!

Get in. Have you ever damaged yourself?
Yeah, a lot. I was once playing cricket and someone bowled a yorker at me. It hit the front end of my toe and it span straight up into my knob sack, underneath my guard, and split my scrotum. There was blood everywhere. I passed out and they took me to hospital. You should have seen the state of my whites. Imagine shitting yourself but shitting blood. So now I've got a little scar underneath my bollocks. Not that you notice – it's all a mess down there anyway!

Phew! No chance of pulling the nurse then?
No, but when I was 19, I had a spontaneous pneumothorax, which is like a collapsed lung. When tall lads are growing a little bit too quick, they get little balls of oxygen hitting the side of their lungs and sometimes it creates a hole which means that your lung goes down like a balloon. The doctor was like, "fucking hell, you've got this really bad," so they did a bit of local anaesthetic on me and stuck a tube inside me. But anyway, there was this pretty cute nurse there and I ended up going on a date with her. She didn't give me a lollypop – in fact, I didn't even get a blow-job off her. I went up to see her in Leeds but she didn't look as nice because when you're in hospital surrounded by old miners with emphysema she looked like the most beautiful girl in the world. I didn't do anything sexual with her but I could have done. So technically, I've pulled a nurse.

Alright – we'll give you that one. What else have you pulled?
I once pulled a young actress but I can't tell you about that. She'll kill me.

Oh, go on.
She was on *Family Affairs*!

Yes boss! Channel 5 girls. Mmmm. What funny jobs have you done?
Because I'm into cricket, I ended up working at Trent Bridge in the members bar. We'd have Ian Botham, Graham Gooch, and Mike Gatting would be in there sometimes. We had some late night beer sessions with those guys. They drink a lot of beer and talk a lot of bollocks. Graham Gooch was one of the main people involved with 'Regaine' which was this stuff for people who were going bald and he did the advertising campaign. He came in at the beginning of the season and he was pretty much bald and we didn't really think much of it and then he came in at the end of the season and he had a full head of hair! My mate was like, "You've got a toupee on Goochy, you've got a toupee on!" And he was like, "It's that fuckin' Regaine isn't it!"

Nice one Tommo. Keep on shaggin'! ♣

GASH IN THE ATTIC

Cock-hungry Claire treats each sexual experience as a dazzling discovery!

PHOTOS: EXPOSUREZONE

It's amazing what you can find in the loft. Tucked away between the hot water tank and the box of childhood tat that you can't bear to throw away, there's always something that will get *Antiques Roadshow* presenters excited. Take Claire, for example. Once we'd removed the old newspapers from on top of her and dusted her down she came up a real treat, and we thought there'd be nothing better to do than show her off over the next few pages.

"I'm not sure if I appreciate being likened to an antique, especially since I've got such a young mind. That doesn't mean I'm naïve and innocent, it just means I treat every time I have sex like it was my first. I'll handle a dick like I've never seen one before, although I've actually seen a fair few! I'm always willing to try out new positions or different role-playing situations and get off on the idea of not knowing what's going to happen next. The only thing I am certain of is that I will have an orgasm – the more mind-blowing, the better!" ♣

Stella...

Stella...where to stick it!

PHOTOS: PHOTORAMA

I am so excited! I've been invited to a birthday party at a swanky London night club. But it's not just any birthday party, it's the birthday party for a very famous football player. Now I'll be honest here, I'm not really a big football fan but you know I like attractive men, and most footballers are attractive. Not to mention fit and rich!

I know there are going to be plenty of beautiful girls there biding for the players' attention, so I'm really making an effort with what I wear – or rather what I don't wear. I think this dress will show enough to get the guys interested, but hopefully I won't be wearing it for long. I've got my heart set on the birthday boy but if he's not interested I'm sure some of his team mates will be. One thing's for sure, they'll have never met a potential WAG like me before. Most of the girls you see going out with footballers are total wannabees, trying to pass themselves off as models. But as I'm a porn star I've got the upper hand and I'm certainly going to use it.

When I'm in that club I'm going to attract the attention of a footballer, lure him over to a dark corner and then give him head like he's never had before. I'm so confident he'll enjoy my blow-job he'll want to leave with me straight away. We'll go back to his place and fuck all night long. If he's a player at the peak of his physical fitness he should last until the morning. Although he might not be able to make it to practice the next day! ♣
